

THANK YOU TO OUR GOLD SPONSOR
Beedie | Development Group

May 24, 2016

Dear Colleagues,

In keeping with CILTNA's goals of educating its members and promoting professionalism in the transportation and logistics field, the Pacific Chapter is organizing a Summer Luncheon as the next event in our "Gateway Series". It will be held at the Terminal City Club on Tuesday, June 21, 11:45-2:00 pm.

I am pleased to report that we have two speakers who are foremost experts in the field of industrial land development in our region...**Richard Wozny and Paul Tilbury**. Our speakers will be addressing one of the most important elements of our future as a growing gateway...the availability of strategically located industrial lands. The theme of this event is "Towards a Strong Gateway Future: Preserving Industrial Lands to Meet Traffic Growth in the Port of Vancouver"

Richard Wozny is the Principal of Site Economics Ltd. He recently completed a comprehensive report for the Port of Vancouver on industrial land issues. He has worked on thousands of acres of industrial buildings, including complex industrial parks. Richard will be addressing the macro topics of demand from port container growth and the need for trade-enabling industrial land.

Paul Tilbury is Chief Operating Officer of Dayhu Group of Companies. He has built over 1 million square feet of state of the art logistics space and knows a great deal about logistics and his tenants' businesses. Paul will give his perspective on the demand drivers for the type, size and other features of modern logistics facilities required in our region.

On behalf of the Pacific Chapter, I invite you to attend our luncheon. The event promises to be both topical and informative. We are starting lunch at 11:45 am to ensure that we have ample time for both speakers and a Q&A session.

Luncheon cost is \$65 for non-members, \$55 for members and \$45 for students. As with previous events, we ask for your generosity in sponsoring students in Transportation/Logistics/Maritime/Aviation/Aerospace programs from BCIT, UBC and Capilano University. Students are our leaders of tomorrow and they so appreciate the opportunity you give them to attend Pacific Chapter events.

Registration for you (and a student) is available online at <http://www.ciltna.com/event-registration> or by cheque made out to CILTNA, Pacific Chapter, with the attached registration form to Marian Robson, 1210 West 8th Ave. Apt. 404, Vancouver BC V6H 3Y9

We look forward to seeing you on June 21!

Marian Robson, FCILT
Chair, Pacific Chapter
