Dear colleagues:

In keeping with CILTNA's goals of educating its members and promoting professionalism in the transportation and logistics fields, the Pacific Chapter is organizing a Summer Breakfast, as the next event in our "Gateway Series".

Tuesday, August 29, 2017

BCIT Downtown Campus
555 Seymour Street, Vancouver, BC
Room 825 (the Atrium)

7:45am Registration
8:00 am Breakfast and Speech

I am pleased to report that our Guest Speaker will be [Scott Streiner, Chair and CEO, Canadian Transportation Agency \(CTA\)](#). Scott will be talking about a major bill which is moving through the House, Bill C-49 "[The Transportation Modernization Act](#)". This bill has many important features, mainly affecting the air and rail modes. These include:

- new Air Passenger Bill of Rights
- an increase in the level of foreign ownership of Canadian air carriers from 25% to 49%
- new requirement for Canadian railways to report on rates, service and performance
- reciprocal rights for rail shippers to impose financial penalties on railways
- long haul interswitching

The CTA will be assuming responsibility for administering most provisions of the new legislation upon passage. In parallel with Bill C-49 moving through the House, the CTA has been holding extensive industry consultations through its Regulatory Modernization Initiative, which is reviewing all regulations to bring them in line with modern business practices.

On behalf of the Pacific Chapter, I invite you to attend our breakfast meeting. Please join us to hear all about the transportation "happenings" in Ottawa from Scott Streiner who will give his insights from an insider's perspective.

Breakfast cost is \$35. Registration is available online at <http://www.ciltna.com/event-registration> or by cheque made out to CILTNA, Pacific Chapter, with the attached registration form, to Marian Robson, 1210 West 8th Ave. Apt.404 Vancouver, BC V6H 3Y9.

We look forward to seeing you on August 29!
