Panel 3: Legal, Regulatory and Shipper Updates

If one thing is clear, it's that technology will continue to affect and disrupt the transportation industry for the foreseeable future. The law and government regulators have difficult tasks to keep up with the technological advances being made in the industry and shippers have to meet customers' needs while dealing with constant changing regulations and procedures especially at the Canada-USA border. This panel will feature a leading transportation lawyer, a government regulator and a major shipper.

Moderator: *Tom Shenstone* CMILT, Chair CILTNA GTA Chapter, panelists are:

- 11:10 a.m. – 12:10 p.m.
- *James Manson*, CMILT, Fernandes Hearn LLP
 - *Jim Lothrop*, Director General, Transport Canada, Innovation Centre, Programs
 - *Ray Fischer*, Manager Canadian Customs, FCA Canada Operations
