CILTNA – Membership Frequently Asked Questions

The Institute's Membership Committee will decide - based on the contents of the Application Form - whether an Applicant has the qualifications for MILT, CMILT or FCILT status

What if I am new to a region and don't know anyone to act as referee or sponsor for my application?

CILTNA has 5 active Chapters in Canada in Atlantic [Halifax], Quebec [Montreal], Ottawa, Greater Toronto and Pacific [Vancouver] and one in the United States [Washington, DC] each with a Chair and/or a Board of Directors.

You should contact the Chair/Co-Chair of the Regional Chapter closest to you through the CILTNA website at www.ciltna.com or you can contact the CILTNA Membership Committee at: admin@ciltna.com.

How often are CILTNA regional meetings held?

Meetings of CILTNA Regional Chapters are held at the discretion of the Chapter Chair/Co-Chairs and/or Management Committee. Generally meetings are held quarterly in central locations. Some Chapters hold luncheon meetings with guest speakers of interest to the audience while other Chapters may hold half-day seminars with a transportation theme highlighted by well-known speakers in the field.

You should contact the Regional Chapter Chair/Co-Chair for more details on Chapter events.

When and where is the CILTNA Annual General Meeting held?

The Annual General Meeting is generally held on the 4th Monday of November in downtown Ottawa, Ontario Canada. The half-day event generally begins with a 3-hour conference on a transportation-related theme and is then followed by the Annual General Meeting which is open to all CILTNA members. They are encouraged to attend to offer their views on the future direction of the organization.

A reception and dinner follows with a keynote address by a distinguished figure in the logistics and transportation sector.

Does CILTNA hold a national conference each year?

Yes. In addition to its Annual General Meeting, CILTNA holds an Annual Outlook and Situation Conference. It was first held in 2001 and has evolved into a major leadership forum to review and assess the impact of major issues on the future of the transportation and logistics sectors. It is usually held in the spring (April, May or June) and is developed around a theme that reflects the issues of the day.
