5th most **connected**
(OAG, 2018)

Best in North America
(ACI WORLD - ASQ 2017, 2018)

Toronto Pearson in 2018

\$42 billion

50,000 jobs

\$11 & 17 billion

Our Impact

on

A look at growth to date

49.5 million passengers

10M passengers in 4 years (2014-2017)

2.5M passengers
in 2018

20M passengers in 20 years (1997-2017)

Expected growth locally and globally

**The world is
traveling
more**

IATA forecasts nearly **7.8 billion**
people could be travelling by 2036 –
double today's global air traffic

**In 20 to
25 yrs...**

85

million passengers

110

million passengers

on

Regional growth and activity

By 2043
110 million passengers
1 million tonnes of cargo

**SOUTHERN ONTARIO
AIRPORT NETWORK**

Going forward

Flexible plans and facilities to meet realized volume

Ground and air connectivity to enable growth and prosperity

Adapt to the changing needs of the global community we serve
