CILTNA Spring Outlook Virtual Conference

The Resilience Challenge for Transport and Logistics: Reflecting on the Lessons Learned

Day 1: Wednesday, June 1, 2022 - Module One | 11:00 - 13:00 ET

Moderator: Bob Armstrong, FCILT, President, CILTNA

- 11:00 - 11:05 The moderator will provide opening remarks and outline topics and speakers in Module 1.
- 11:05 - 11:35 **Craig Hutton**, A/Associate Assistant Deputy Minister, Policy, Transport Canada, will give an overview of pandemic supply chain challenges, as well as feedback from the National Supply Chain Summit.
- 11:35 - 12:05 **Admiral Mark Buzby**, US Navy (retired), who served as Administrator of the US Maritime Administration, will discuss the performance of the maritime industry during the pandemic as a testament to the long-standing resilience of the industry "in peace and war" and the criticality of the maritime segment of the supply chain.
- 12:05 - 12:25 **Vee Kachroo**, Senior Vice President Operations, Canpotex, will speak about creating a resilient supply chain in uncertain times.
- 12:25 - 12:55 **Alan Cooke**, CMILT, Strangford Consulting Ltd., will speak on changes and challenges in the cannabis industry.
- 12:55 - 13:00 The moderator will give closing remarks and announce a 30-minute break before the start of Module 2.

Day 1: Wednesday, June 1, 2022 - Module Two: | 13:30 - 15:30 ET

Moderator: Paul Miller, FCILT, Chair, CILTNA

- 13:30 - 13:35 The moderator will outline the topics and speakers in Module 2
- 13:35 - 14:05 **Joan Hardy**, VP Sales & Marketing - Grain & Fertilizers, Canadian Pacific will address resilience and capacity building in critical North American rail-borne grain and fertilizer supply chains.
- 14:05 - 14:25 **Dr. Sylvain Charlebois**, Director, Agri-Food Analytics Lab at Dalhousie University, will discuss current security, price and availability concerns affecting global food supply chains.
- 14:25 - 14:55 **Dan MacGregor**, co-founder and Strategic Partnerships leader, Nexxiot AG, will speak on asset and cargo data essential for supply chain resilience.
- 14:55 - 15:25 **Allison Ishihara Fultz**, Chief Counsel, US Federal Railroad Administration, will address US railroad service and capacity issues, and potential remedies.
- 15:25 - 15:30 Moderator will give closing remarks.

CILTNA Spring Outlook Virtual Conference

The Resilience Challenge for Transport and Logistics: Reflecting on the Lessons Learned

Day 2: Thursday, June 2, 2022 - Module Three: | Technology and Innovation | 11:00 - 13:00 ET

Moderator: Eugene Hoeven, MILT, President, EH&A Business Advisory

- 11:00 - 11:05 The moderator will outline the topics and speakers in Module 3.
- 11:05 - 11:35 **John Bescec**, Director Global Customs & Trade Facilitation for Microsoft, and Chair of International Chamber of Commerce Customs & Trade Facilitation Committee, will discuss advancing international trade through digitization.
- 11:35 - 12:05 **Barbara Roos**, Managing Director of Ab Ovo North America, Inc., will discuss how transportation and logistics companies are facing “The paradox of choice, how to make the right decisions in transportation planning?” Barbara will provide insights on how companies can prove to be more resilient in the future and learn from the past with real-time actionable information that supports decision making.
- 12:05 - 12:25 **Laurent Huenaerts**, VP & General Manager at Unifly Inc. (a NAV Canada strategic partner), will speak about enabling the tremendous potential of drones by safely integrating them into Canadian airspace.
- 12:25 - 12:55 **Bob Hitt**, Transportation & Logistics Industry Advisor for Salesforce, will discuss going beyond real-time shipment visibility with insights to improve supply chain resiliency.
- 12:55 - 13:00 The moderator will give closing remarks and announce a 30-minute break before the commencement Module 2.

Day 2: Thursday, June 2, 2022 - Module Four: | 13:30 - 15:30 ET | Sponsored by: Prince Rupert Port Authority

Moderator: Andrew Young, CMILT, Vice Chair, CILTNA

- 13:30 - 13:35 The moderator will outline the topics and speakers in Module 4.
- 13:35 - 14:05 **Filipe Coutinho Pereira dos Reis**, Regional Director Airport, Passenger, Cargo and Security, The Americas at the International Air Transport Association (IATA), will address recovery and resilience in air cargo supply chains.
- 14:05 - 14:25 **Michael Inman**, Director of Business Development, Prince Rupert Port Authority, will outline steps the Port is taking to increase container operating and storage capacity, including Fairview Terminal expansion and plans for a second container terminal.
- 14:25 - 14:55 **Andreea Crisan**, President and CEO, Andy Transport, will speak to the challenges faced by trucking companies and their clients, especially regarding cross-border movements.
- 14:55 - 15:25 **Jean Aubry-Morin**, Vice President, External Relations of The St. Lawrence Seaway Management Corporation, will speak to the challenges faced during the pandemic, and how the Seaway remained a critical mode of transportation of essential goods.
